An extract of the report of the Assistant Port Conservator, Kasargod on the above subject is enclosed. I agree with the views expressed by the Assistant Port Conservator, since natural facilities do not exist for opening a port at Hosdurg and that dredging a channel from the sea to connect the Arai River is not considered feasible at present.

HOSDRUG: Hosdrug is a place 15 miles south from Kasaragod Port. The place is a growing town and a sub Taluk. The main outputs are pepper, cardamon, cashewnets and dried fish.

There is no bar nor any suitable facilities to open a Port at this place. There is a river called Arai River in the interior 3 miles from the sea shore, which flows and joins the Nileshwar river about 4 miles away from the Nileshwar bar. The river is only navigable for inland traffic.

The trade statistics of the place reveal that the place is not in touch with sea borne trade for last 10 years.

In conclusion the opening of a port at Hosdrug is not feasible for the reasons specified above.

The Hosdrug Mandal Congress Committee in ~~their~~ its resolution on p. 1 c.f., has requested that a harbour might be opened at Hosdrug under the Second Five Year Plan, in view of the existence of suitable facilities at the place. The reports of the S.P.O. and the Collr. of S.Kanara who were referred to in the matter are at pp.9-12 and 15 c.f. Based on the reports of the Port Conservator, Kasargod, and the Port Officer, Kozhikode, the S.P.O. considers that no useful purpose would be served by opening a port at Hosdrug. The Collr. of S.Kanara has agreed with him. According to ~~From the reports of~~ the Port Conservator, Kasargod, and the Port Officer, Kozhikode, it will be observed ~~that~~ natural facilities do not exist at the place for opening a port, and ~~that~~ the trade statistics show that the place was not in touch with sea borne trade for the past 10 years.

In the circumstances stated above, the views of the S.P.O. and the Dollr. of S.Kanara may ~~perhaps~~ be accepted and the Hosdrug Mandal Congress Committee informed that ~~their~~ its request for opening a port at Hosdrug cannot be complied with. A draft
